DIRECTORS' REPORT

PERFORMANCE / DETAILS OF SUBSIDIARIES / JOINT VENTURES

The performance on the Company's key subsidiaries and joint ventures are furnished in the succeeding paragraphs.

1. Sical Iron Ore Terminals Ltd

The Company has completed the construction activities for an iron ore terminal at the Kamarajar Port [erstwhile Ennore Port] in 2010 but however could not commence its commercial operations due to the prevailing ban on the export of iron ore from out of the Karnataka Region. In order to utilize the idle terminal, the company has made constant requests to the Kamarajar Port and Ministry of Shipping to allow handling of alternate cargoes in the terminal. Kamarajar Port has now decided to modify the existing terminal also to handle coal and has invited bids for the purpose. It is expected that a decision on this terminal will be in place during the course of the current financial year.

2. Sical Infra Assets Limited and Sical Multimodal and Rail Transport Limited

Sical Infra Assets Limited was formed for owning and housing infrastructure companies under its fold. The company's subsidiary, Sical Multimodal and Rail Transport Limited operates container rail as well as two Container Freight Stations (CFS). CFS business is continuing its operations at Chennai and Tuticorin. The total volume handled during 2015-16 was 117065 TEUs. Chennai CFS ended the year on a good note by garnering highest volume and becoming number one CFS. Container Rail business operates own rakes pan India under category 1 licence. The Company handled 21686 TEUs during the year on multiple sectors. The company also handled export cargo during the year in its pursuit to engage in the EXIM business. The project activities relating to development of its own rail terminals ICD/CFS at Chennai and Bangalore are in progress. The Company has a JV with 50% stake in Sical Sattva Rail Terminals Private Limited which operates the Melpakkam terminal. Efforts are on to establish a CFS facility at Vizag on leased land and is expected to be functional during the current financial year. Own rail terminals at Chennai and Bengaluru are imperative for the turnaround of this division. The performance of the rail division has been hit due to higher haulage charges payable to Railways.

3. Sical Iron Ore Terminal [Mangalore] Limited

A concession agreement was entered with New Mangalore port in 2009 for setting up of mechanised iron ore terminal and operation and maintenance at the Mangalore Port. Since there remains a ban on the movement and export of iron ore from out of Karnataka region, required cargo cannot be generated and hence approached the Port authorities for allowing to handle multi purpose cargoes in the berth to be constructed. Since this was not agreed to, the Company was left with no choice but to issue a termination notice on force majeure condition and the New Mangalore Port authorities have referred the matter to arbitration and arbitral proceedings are in progress.

4. Sical Adams Offshore Limited

This company was formed with an intent to venture into offshore segment. The Company will commence operations as and when offshore contracts are bagged.

5. Norsesea Offshore India Limited

This company owns and operates a cutter suction dredger Sical Portofino carrying dredging activities for various ports. Currently the dredger is in operation at Gopalpur Port in Odisha. The revenue earned during the financial year under review was Rs.412 lakhs as compared to the previous year of Rs.442 lakhs.

6. Sical Saumya Mining Limited

This subsidiary was formed in association with Saumya Mining Limited for the purpose of executing the overburden removal contract awarded by the Mahanadhi Coal Fields, Odisha for the operations at coal mines located at Samaleshwari and Lajkura to handle 37 and 53 million CBM in 3 and 5 years respectively. The activities at Samaleshwari has begun and the revenue earned during the financial year under review was Rs.2973 lakhs

7. Bergen Offshore Logistics Pte Ltd and Norsesea Global Offshore Private Limited

The overseas subsidiary of the Company Bergen Offshore Logistics Private Limited and the wholly owned subsidiary of Bergen viz. Norsesea Global Offshore Private Limited have their offices in Singapore. These companies are for providing support services for offshore activities.

DIRECTORS' REPORT

8. PSASical Terminals Limited

This is a joint venture company with Ports of Singapore Authority in which Sical has a shareholding of 37.5%. This company operates a container terminal at Tuticorin Port and has handled 510118 TEUs during the year under review and earned a revenue of Rs.152.52 crores with a Profit of Rs.2.68 crores. The challenge faced by this Company has been the royalty payable being higher than the tariff allowed to be charged, which was disputed and the Company has received a favourable arbitral award, where royalty model would change into revenue share model, which is in accordance with 2013 guidelines of Ministry of Shipping. The said Arbitral Award was challenged before the District Court by Tuticorin Port and the District Court has upheld the Arbitral Award in favour of the Company. Now the said District Court Order has been challenged by Tuticorin Port before the High Court of Madras at Madurai Bench and the same is pending hearing.

SUBSIDIARY COMPANIES FINANCIAL STATEMENTS

As per Section 129[3] of the Companies Act, 2013 read with Rule 5 of the Companies [Accounts] Rules, 2014, the Company has prepared consolidated financial statement and the same is being laid before the members for their approval at the ensuing Annual General Meeting. FOR THE FINANCIAL YEAR ENDED MARCH 31, 2016

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Personnel) Rules, 2014]

To

The Members  
Sical Logistics Limited  
73,Armenian Street  
Chennai: 600 001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s Sical Logistics Limited (hereinafter called “the company”). Secretarial Audit was conducted in a manner that provided me/us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on March 31, 2016 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2016 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

MANAGEMENT DISCUSSION AND ANALYSIS REPORT [2015-16]

INDUSTRY OVERVIEW

Infrastructure development is a critical enabler for the economic growth. Logistics infrastructure,covering the road, rail, waterways and air network of a country, is the backbone on which the nation marches ahead. The logistics sector in India is evolving rapidly and its growth is dominated by the interplay of infrastructure, technology and new types of service providers. The freight traffic across all modes are expected to increase many folds and India has been developing the required infrastructure for the rapid growth in this sector. The Logistics industry includes five broad segments – ocean freight, rail freight, air freight, trucking and third party logistics services.

OPPORTUNITIES AND THREATS

The three major contributors for the growth of logistics industry are : emergence of organised retail, increase in foreign trade and India becoming a global manufacturing hub. Growth on infrastructure availability, involvement of private players and increased government spending will catalyze the growth in the industry.

Few points which would help growth of the industry are

- Building the right network and ensuring flows on the right mode - which shall consist of long distance corridors – rail and coastal waterways, medium distance rail and road connectors and last mile links
- Creating enablers to maximise the efficient use of the network – shall include development of logistics parks, providing standards for containers and pallets and upgrading the skilled workforce.
- Extracting more from existing assets – increased spend on maintenance of existing roads, using stainless steel wagons with higher load carrying capacity
- Allocating more investment to rail and reallocating with roads and rail considering the future freight traffic.
- Changing government policies on taxation and regulation of service providers is going to play an important role in this process.
- Rising investment in the rail and port spaces also fuels growth in allied industries like wagon manufacturing, port handling equipment, railway electrification systems and construction companies.
- Logistics services like transportation, warehousing, cross docking, inventory management, packing and freight forwarding are all part of third party logistic services and most of the companies outsource the logistics services.
- Warehouses have become the key growth drivers in the logistics industry. Warehousing does not only provide conventional storing services, but also provides value-added services like consolidation and breaking up of cargo, packaging, labelling, bar coding and reverse logistics etc. The warehousing demand is on the increasing trend

The Key Opportunities considered under various service heads are.

Service	Requirement	Drivers	Opportunities
Road Logistics	Low service cost, non time sensitive	Demand for high quality infrastructure	Consolidation is expected in the industry. This will lead to the emergence of pan-India players with bigger size and better profitability growth in cold chain warehousing logistics
Express Logistics	Cost efficiency and high time sensitivity	High growth in document shipments. Growth in high value products such as mobile phones, network hardware and branded drugs	The express logistics industry is expected to grow at a CAGR of 17%.

Service	Requirement	Drivers	Opportunities
Container haulage	Scheduled services and storing ICD network	o Government approval for privatisation of rail container operation. o Establishment of dedicated freight corridor	Approval to private players for rail operation and rising demand from the railways to boost demand for wagon manufacturers
CFS	Quick turnaround time	Standardisation of containers. Growing trade volume	CFS/ICDs that run their own container terminal, freight forwarder or shipping line are likely to gain from the surge in ocean freight
MTO	Network strength and service quality	o Growing international trade. o Expanding domestic demand for efficient supply chain. o Growing need for door to door service and integrated services	Being less capital intensive and with neutral working capital requirement, the MTO business gives higher return on equity and return on capital employed.
Bulk liquid	Port connectivity and integrated service offerings	Booming oil demand and rising inflows	Less competition in the market.

CHALLENGES

Higher costs

Logistics costs in India are estimated to be approximately 13% of GDP which is considerably high when compared to the corresponding figures for other major economies of the world. Higher logistics costs are mainly due to poor infrastructure facilities in the country. The higher logistics cost represents higher products / services cost in the international market. Reduction of logistics costs for customers is a challenge faced by the industry.

Infrastructure

Proper infrastructure support by the government and competition from the unorganised sectors are major challenges in the growth of the logistics sector.

Insufficient Geographical Coverage

Insufficient distribution channels / infrastructure bottlenecks restrict the scope to reach consumers of products nationwide. Threat of new entrants, bargaining power of consumers, bargaining power of suppliers, threat of substitutes and rivalry among competitors are considered to be the forces that impact the growth of the industry.

Availability of land parcels for developing logistics parks with warehousing facilities near the State / District Capitals.

Overburdened ports

India has a long coastline. However, the country's port system is not utilised properly. More than 70% of the seaborne trade is managed by 2-3 of its 12 major ports. Remaining 185 minor ports int he country are largely underutilised.

Low Warehousing investment

The infrastructure including roads, airports and seaports are preliminary the main target areas of investment. However, warehousing, a facilitator for the agricultural sector, has attracted lower investment that reduced its pace of growth in comparison to rising farm output.

Technology Usage

Technology usage is still very low in India, which restricts the scope of increasing efficiency and productivity.

**Cost / Quality of Service**

Logistics costs in India are among the world's highest and outside of the metros and a few cities, the delivery time is very uncertain.

**Initiatives**

To reduce the transportation cost and for quicker movement of cargo, adoption of Multimodal Transport Operation enabling exporters with less documentation.

The introduction of National Maritime Development Program [NMDP] which is expected to address the challenges of the growing international traffic demand of the country along with developing the port facilities at par with world class standards.

The opening up of port sectors and liberalisation of railway services by allowing private parties to container train operation and tax rationalisation are the growth drivers for this industry.

**OUTLOOK**

- An allocation of INR 70000 crore to expedite the creation and expansion of highways, in addition to an investment of INR 27000 crore [along with the state governments] in rural roads is expected to augment economic growth.
- The implementation of Sagarmala Project along with the continued focus on developing inland waterways are expected to boost the maritime sector in the long term. The Sagar Mala project a strategic and customer-oriented initiative of the Government of India to modernize India's Ports so that port-led development can be augmented and coastlines can be developed to contribute in India's growth and it aims at "transforming the existing Ports into modern world class Ports and integrate the development of the Ports, the Industrial clusters and hinterland and efficient evacuation systems through road, rail, inland and coastal waterways resulting in Ports becoming the drivers of economic activity in coastal areas.
- Proposed amendments in the PPP framework around re-negotiation and dispute resolution mechanisms is likely to improve the otherwise discouraging PPP situation, however, rapid implementation of these initiatives is required.
- Increase in the effective service tax rate and levy of service tax on import of goods by vessels will impact the cost of the product.
- The following few steps by the Government could be a universal roadmap for the logistics sector's development in the country.
  - Channelising the movement of commodities to suitable modes of transportation to improve the modal mix. By diverting the transportation of bulk commodities from roads to increasingly appropriate modes, such as rail and waterways, thereby helping free up capacity for fast-moving goods.
  - Setting benchmarks and standards for the industry to help drive uniformity in warehouses, storage and transportation equipment and help bring them up to high quality standards.
  - Focussing on decongesting airports and seaports, shifting cargo-clearance activities to airport, inland or port locations.
  - Passage of GST Bill in Parliament will lead to overall rationalisation of tax structure resulting in lower logistics cost.

**Sical – Financial and Operational Performance**

Sical has its presence in all major ports and minor ports. Larger portion of Sical's revenue stems out of port operations [stevedoring activities]. Sical provides integrated logistics solutions to customers from the origin until the last mile delivery viz. End-to- end logistics. Sical operates in Bulk Logistics as well as Container Logistics apart from executing surface mining and overburden removal contracts at Mahanadhi Coal fields mines at Odisha. The movement of coal through Road-Rail- Sea route for NLC's power plant at Tuticorin in Tamil Nadu has begun during the previous financial year. The setting up of washery at Odisha for movement of washed coal to NLC's power plant in Tamil Nadu is expected to be on stream during the current fiscal. The prevailing global economic situation has impacted the port performance as the EXIM traffic are hit. However, this is being compensated by the performance of the Company in the surface mining and overburden removal contracts which are considered to be the major game changer for Sical. Sical's dredger Sical Portofino is currently deployed at Gopalpur port for dredging activities. Sical also carries out cold chain movement and maintenance of warehousing across the country mainly catering to hospitality industry.

Company's subsidiary Sical Multimodal and Rail Transport Limited operates under two divisions viz. Rail Division and CFS Division. The Rail division has 7 rakes and has own as well hired containers for movement of containerized cargo through rail run on pan-India basis. The business was impacted on account of increase in railway haulage charges leading to the road transport cheaper. The long term contract with Hindustan Copper Limited helps this division with fixed rake operation and generating revenues. CFS are in place at Chennai and Tuticorin and efforts are on to establish a CFS at Vizag since the earlier strategic alliance management contract with CWC concluded in 2013.

The Iron Ore terminal completed in all respects at Kamarajar Port could not be put into use on account of non-availability of cargo viz. Iron ore due to prevailing restriction on export of iron ore out of Karnataka region pursuant to a Supreme Court's decision. The Kamarajar Port invited bids during the year under review from parties for modification of the existing terminal also to handle common user coal in the existing iron ore terminal. Once the terminal is modified, this will provide a breather to Sical in its operations. The project activities of mechanisation of deep draft berth at the New Mangalore Port could not be carried out due to the prevailing situation on iron ore and a termination notice was issued considering the force majeure conditions and towards this the matter has now been referred to Arbitration.

The joint venture operations by PSA Sical are keeping up pace. The company received a favourable order from the Tuticorin Court on the royalty related issue with a right to the Port authorities for appeal.

**Sical – the way forward**

Sical looks for growth opportunities across all segments and expand its wings. Sical found it prudent to venture into providing logistics services for the surface mining and overburden removal at coal fields on a long term basis and has been able to make an inroad into these sectors by bagging contracts for surface mining and Bharatpur and Lajkura Mines and overburden removal at Samaleshwari and Lajkura mines belonging to Mahanadhi Coalfields in Odisha. By entering into new avenues, Sical is poised for a well-developed structured growth in the years to come.

**Internal Control Systems and their adequacy**

The Company has put in place proper and adequate internal control systems which would automatically have the internal checks and balances then and there when transactions are executed. The company is in compliance with the various statutes of the Government and statutory authorities. Internal Audit has been entrusted to an external agency and periodical review is being carried out by the Management. The Internal Audit findings involving high risks are reviewed by the Audit Committee at their meetings to check on the adequacy of internal controls and suggest measures for further improvement as well for mitigating risks.

**Human Resources / Industrial Relations**

Cordial industrial relations prevailed in all divisions throughout the year. Employees are considered the backbone of the company who are instrumental in making the company reaching the targets and goals as envisioned. With the focus on development of skills in the employees, the Management has evolved best practices in evaluating the performance of the employees at all levels and provide growth opportunities in their career. Employees were sponsored for various seminars, symposiums and workshops organised by external agencies to enrich their knowledge and implement the best practices in their work place wherever feasible.

AUDITORS' REPORT

INDEPENDENT AUDITOR'S REPORT

To the Members of SICAL LOGISTICS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of SICAL LOGISTICS LIMITED ("the Company") which comprise the Balance sheet as at 31 st March 2016, the Statement of Profit and Loss and the Cash Flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its profit and its cash flows for the year ended on that date.

Annexure 2 to the Auditor’s report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of SICAL LOGISTICS LIMITED (“the Company”) as of 31 st March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the financial statements for the year ended March 31, 2016

Note1

1 SIGNIFICANT ACCOUNTING POLICIES

i Basis of preparation of financial statements:

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

ii Use of estimates:

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

iii Fixed Assets:

Fixed assets are stated at cost, less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the assets to its working condition for its intended use.

Other assets including the additions subsequent to revaluation are shown at cost, which includes capitalization of pre-operative expenses and net of CENVAT credit availed wherever applicable.

iv Borrowing Cost:

Borrowing costs are capitalized as part of qualifying fixed assets wherever it is possible that they will result in future economic benefits. Other borrowing costs are expensed.

v Depreciation:

Depreciation is provided at the rates prescribed under Schedule II of the Companies Act, 2013 with 5% salvage value.

The useful life and rate of depreciation followed are as follows-

	FY 2015-16		
Asset Class	Dep Rate	Method	Useful Life (Years)
Buildings	1.58%/3.17%	SLM	60/30
Buildings	4.87%/9.50%	WDV	60/30
Furniture & Fixtures	9.50%	SLM	10
Furniture & Fixtures	25.89%	WDV	10
Leased Machinery	25.00%	SLM	4
Office Equipments	45.07%	WDV	5
Office Equipments	19.00%	SLM	5
EDP Equipments	31.67%/15.83%	SLM	3/6
EDP Equipments	63.16%/39.30%	WDV	3/6
Plant & Machinery	6.33%	SLM	15
Plant & Machinery	18.10%	WDV	15
Port Handling Equipment	18.10%	WDV	15
BOT Equipments	5.00%	SLM	20

NOTES

a) Method of Depreciation:

- i) Port handling equipments at Ennore Port and Chennai Port are written off over the period of BOT Scheme/ Berth Reservation Scheme on Straight-line method;
- ii) Assets of Transportation & Warehousing divisions which are depreciated at straight-line method;
- iii) Assets of logistics division are depreciated at written down value method.

b) Depreciation on certain premises are provided on composite cost where it is not possible to segregate the land cost.

c) Assets costing less than Rs.5000 are fully depreciated.

vi Investments (Long Term):

Investments in shares are stated at cost, net of permanent diminution in value wherever necessary.

vii Inventories:

- a) Stores and Spares used for running of trucks and other machineries valued at lower of cost and net realizable value.
- b) Loose tools are valued after writing off certain percentage of cost.

viii Excise Duty:

CENVAT credit on materials purchased and on input services used for providing output services are taken into account at the time of purchase/payment and CENVAT credit on purchase of capital items wherever applicable are taken into account as and when the assets are installed, to the credit of respective purchase and assets accounts. The CENVAT credits so taken are utilized for payment of service tax on output services provided. The unutilized CENVAT credit is carried forward in the books.

ix Revenue Recognition:

Revenue is recognized on accrual method on rendering of services.

x Foreign Currency transactions:

Foreign Currency transactions are recorded in the books at the rates prevailing on the date of transaction. Foreign currency monetary items as on balance sheet date are translated at exchange rate in effect at the Balance Sheet date, The gains or losses from such transactions are included in the statement of profit and loss.

Any exchange gain or loss arising out of restatement of "Long Term Foreign Currency Monetary Item" is transferred to foreign currency translation reserve account and amortized to P&L over the term of loan as per AS-11(R) issued by the Central Government vide their notification no G.S.R 225(E) Dt. 31st March 2009.

The Foreign Currency Monetary Item shall be classified as "Short Term Foreign Currency Monetary Item" when it is expected to be realized within twelve months after the reporting date. On such reclassification of long term foreign currency monetary item into short term foreign currency monetary item, the relevant balance in foreign currency translation reserve account is recognised in profit and loss account.

xi Retirement Benefits:

Short term employee benefits are charged off at the undiscounted amount in the year in which the related service is rendered.

Post employment and other long term employee benefits are charged off in the year in which the employee has rendered service. The amount charged off is recognised at the present value of the amounts payable determined using actuarial valuation method. Actuarial gains and losses in respect of post employment and other long term benefits are charged to Statement of Profit and Loss.

xii Contingent Liabilities & Provisions:

All known liabilities of material nature have been provided for in the accounts except liabilities of a contingent nature, which have been disclosed at their estimated value in the notes on accounts in accordance with Accounting Standard- 29. As regards Provisions, it is only those obligations arising from past events existing independently of an enterprise's future actions that are recognized as provisions.

Notes forming part of the financial statements for the year ended March 31, 2016

xiii Segment Reporting:

The accounting policies adopted for Segment reporting are in line with the Accounting Standard-17. The Company is primarily engaged in providing integrated logistics services which is considered as single business segment in terms of segment reporting as per AS 17. There being no services rendered outside India there are no separate geographical segments to be reported on.

xiv Discontinuing Operations:

There are no discontinuing operations that have been reported in the current year financials and thus disclosure as per Accounting Standard – 24 is not applicable.

xv Impairment of Assets:

The Company recognizes impairment of all assets other than the assets, which are specifically excluded under Accounting Standard-28 on Impairment of Assets after comparing the asset's recoverable value with its carrying amount in the books. In case the carrying amount exceeds recoverable value, impairment losses are provided for.

The company has introduced a policy of measuring impairment of its goodwill on an annual basis. While testing for impairment the company shall pay heed to market prospects, company profitability, EPS and performance indicators in determining the same. Any upward movement in goodwill shall not be considered on account of prudence.

xvi Deferred Taxes:

- a. Current Tax is determined in accordance with the Provisions of Income Tax Act, 1961.
- b. Deferred tax is recognized for all the timing differences. Deferred tax assets are recognized when considered prudent.

# INDEPENDENT AUDITOR’S REPORT

To the Members of SICAL LOGISTICS LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of SICAL LOGISTICS LIMITED (“the Holding Company”) and its subsidiaries and its jointly controlled entities (collectively referred to as “the Company” or “the Group”), comprising of the consolidated balance sheet as at 31st March 2016, the consolidated statement of profit and loss, the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information ( “the consolidated financial statements”).

Management’s Responsibility for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the preparation and presentation of the consolidated financial statements in terms of the requirements of the Companies Act, 2013 (“the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015. The respective Board of Directors of the Companies in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor’s Responsibility

Our responsibility is to express an opinion on the consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company’s preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company’s Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their audit reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company, as at 31 March 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

a) We did not audit the financial statements of “Bergen Offshore Logistics Pte Ltd.” and “Sical Iron Ore Terminal (Mangalore) Limited”, subsidiaries, whose financial statements reflect the group’s share of total assets of Rs. 17,618 lakhs as at 31st March, 2016, total revenue is Nil and net cash flows amounting to Rs. (2.96 lakhs) for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

b) We did not audit the financial statements of PSA “Sical Terminals Limited”, jointly controlled entity, whose financial statements reflect the group’s share of total assets of Rs. 2,715.32 lakhs as at 31st March, 2016, total revenues of Rs.5,618.46 lakhs and net cash flows amounting to Rs. 189.05 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this jointly controlled entity and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid jointly controlled entity, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.

(c) The consolidated balance sheet, the consolidated statement of profit and loss, and the consolidated cash flow statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

(e) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2016 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on 31 March 2016 from being appointed as a Director of that company in terms of sub-section 2 of Section 164 of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in “Annexure”; and

(g) with respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the companies (Audit and Auditors) Rules 2014 in our opinion and to the best of our information and according to the explanations given to us.

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note 27 to the consolidated financial statements;

ii. the Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.

## Annexure to the Independent Auditor’s Report

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 st March 2016, we have audited the internal financial controls over financial reporting of **SICAL LOGISTICS LIMITED** (“the Holding Company”), its subsidiary companies, and its jointly controlled enterprise which are companies incorporated in India, as of that date.

**Management’s Responsibility for the Consolidated Financial Statements**

The Respective Board of Directors of the Holding Company , its subsidiary companies and its jointly controlled enterprise, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note, issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports and the information and explanation provided by the management is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, based on the test checks conducted by us, the Holding Company, its subsidiary companies, and its jointly controlled enterprise which are companies incorporated in India, have, in all material respects, reasonably adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were prima facie operating effectively as at 31 st March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Other Matter**

Our aforesaid reports under Section 143(3)(l) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 1 subsidiary company which is a company incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India.

Insofar as it relates to 1 jointly controlled company, which is a company incorporated in India, we did not audit the internal financial controls and our opinion , in so far as it relates to the jointly controlled enterprise, is solely based on the information and explanation provided to us by the management.

Our opinion on the consolidated internal financial controls, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors and the information and explanations provided by the management.

Notes forming part of the Consolidated Financial Statements for the year ended March 31, 2016

Note1  
1 SIGNIFICANT ACCOUNTING POLICIES

**I. Basis of preparation of financial statements:**  
These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and guidelines issued by the Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

**ii Use of estimates:**  
The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the Management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the consolidated financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the consolidated financial statements.

**iii. Basis of preparation of financial statements:**  
The financial statements are prepared in accordance with the principles and procedures required for the preparation and presentation of consolidated financial statements as laid down under the Accounting Standard (AS) 21, "Consolidated Financial Statements". The consolidated financial statements comprise the financial statements of the company, its subsidiaries as disclosed in Note 33(I), combined on a line-by-line basis by adding together book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances and transactions and resulting unrealised gain/loss. Minority interests have been excluded. Minority interests represent that part of the net profit or loss and net assets of subsidiaries that are not, directly or indirectly, owned or controlled by the company.

**iv. Fixed Assets:**  
Fixed assets are stated at cost, less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any attributable cost of bringing the assets to its working condition for its intended use.

Other assets including the additions subsequent to revaluation are shown at cost, which includes capitalization of pre-operative expenses and net of CENVAT credit availed wherever applicable.

**v. Borrowing Cost:**  
Borrowing costs are capitalized as part of qualifying fixed assets wherever it is possible that they will result in future economic benefits. Other borrowing costs are expensed.

**vi. Depreciation:**  
Depreciation has been provided on the methods given hereunder as per the rates prescribed in Schedule II to the Companies Act, 2013 except for Rakes and containers in Sical Multimodal and Rail Transport Limited - Rail division. The Company retains 5% salvage value as prescribed as an option in Companies Act, 2013

For Rakes and containers, the management estimates a useful life of 21 years. For these class of assets, based on internal assessment and technical evaluation carried out by experts, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013.

The useful life and rate of depreciation followed are as follows-

	FY 2015-16		
Asset Class	Asset Class	Method	Useful Life (Years)
Buildings	1.58%/3.17%	SLM	60/30
Buildings	4.87%/9.50%	WDV	60/30

ii) Assets of Transportation & Warehousing divisions which are depreciated at straight-line method;  
iii) Assets of other divisions are depreciated at written down value method.

b) Depreciation on certain premises are provided on composite cost where it is not possible to segregate the land cost.

**vii Investments (Long Term)**  
Investments in shares are stated at cost, net of permanent diminution in value wherever necessary.

**viii Inventories:**  
a) Stores and Spares used for running of trucks and other machineries valued at lower of cost and net realizable value .  
b) Loose tools are valued after writing off certain percentage of cost.

**ix Excise Duty:**  
CENVAT credit on materials purchased and on input services used for providing output services are taken into account at the time of purchase/payment and CENVAT credit on purchase of capital items wherever applicable are taken into account as and when the assets are installed, to the credit of respective purchase and assets accounts. The CENVAT credits so taken are utilized for payment of service tax on output services provided. The unutilized CENVAT credit is carried forward in the books.

**x. Revenue Recognition:**  
Revenue is recognized on accrual method on rendering of services.

**xi Foreign Currency transactions:**  
Foreign currency transactions are recorded in the books at the rates prevailing on the date of transaction.

Foreign currency monetary items as on balance sheet date are translated at exchange rate in effect at the Balance Sheet date, The gains or losses from such transactions are included in the statement of profit and loss.

Any exchange gain or loss arising out of restatement of "Long Term Foreign Currency Monetary Item" is transferred to foreign currency translation reserve account and amortized to P&L over the term of loan as per AS-11(R) issued by the Central Government vide their notification no G.S.R 225(E) Dt. 31st March 2009.

The Foreign Currency Monetary Item shall be classified as "Short Term Foreign Currency Monetary Item" when it is expected to be realized within twelve months after the reporting date. On such reclassification of long term foreign currency monetary item into short term foreign currency monetary item, the relevant balance in foreign currency translation reserve account is recognised in profit and loss account.

xii. Retirement Benefits:

Short term employee benefits are charged off at the undiscounted amount in the year in which the related service is rendered.

Post employment and other long term employee benefits are charged off in the year in which the employee has rendered service. The amount charged off is recognised at the present value of the amounts payable determined using actuarial valuation method. Actuarial gains and losses in respect of post employment and other long term benefits are charged to Statement of Profit and Loss.

xiii. Contingent Liabilities & Provisions:

All known liabilities of material nature have been provided for in the accounts except liabilities of a contingent nature, which have been disclosed at their estimated value in the notes on accounts in accordance with Accounting Standard- 29. As regards Provisions, it is only those obligations arising from past events existing independently of an enterprise's future actions that are recognized as provisions.

xiv. Segment Reporting

The accounting policies adopted for Segment reporting are in line with the Accounting Standard-17. The Company is primarily engaged in providing integrated logistics services which is considered as single business segment in terms of segment reporting as per AS 17. There being no services rendered outside India there are no separate geographical segments to be reported on.

xv. Discontinuing Operations:

There are no discontinuing operations that have been reported in the current year financials and thus no disclosure as per Accounting Standard – 24 is applicable.

xvi. Impairment of Assets:

The Company recognizes impairment of all assets other than the assets, which are specifically excluded under Accounting Standard-28 on Impairment of Assets after comparing the asset's recoverable value with its carrying amount in the books. In case the carrying amount exceeds recoverable value, impairment losses are provided for.

The company has introduced a policy of measuring impairment of its goodwill on an annual basis. While testing for impairment the company shall pay heed to market prospects, company profitability, EPS and performance indicators in determining the same. Any upward movement in goodwill shall not be considered on account of prudence.

xvii. Deferred Taxes:

- a. Current Tax is determined in accordance with the Provisions of Income Tax Act, 1961.  
b. Deferred tax is recognized for all the timing differences. Deferred tax assets are recognized when considered prudent.
